

Now is the time to buy a Wal-
tham or Elgin watch cheap; a new
lot just received. Bell & Jordan.

The Methodist Sunday school
will run its annual excursion to
Wrightsville Beach during the
month of May. This decision was
reached last Sunday and naturally
the little folks are looking forward
to the occasion with much pleas-
ure.

During the fire that destroyed
The Herald office two frames used
for holding type cases were placed
near the seed house in the rear of
J. P. McLaurin's wholesale gro-
cery. The frames have been re-
moved by some one and cannot be
found. They are of very little val-
ue to any one else and The Herald
would be glad if the parties who
removed them would return them
to us. Or we would appreciate
any information as to their where-
abouts.

Work has begun on the erection
of the handsome bank building at
the corner of Main street and Rail-
road avenue to be occupied by the
Bank of Dillon. The building will
probably be completed in two
months.

Dillon is becoming one of the
greatest automobile towns in the
state. Recently several very fine
machines have been purchased by
Dillonites and the automobile is
becoming quite a common sight on
the streets. Among those who
have bought machines recently are:
J. W. Moore, a large 30 horse power
Jackson; J. B. Gibson and E.
L. Moore have each purchased a
30 horse power Buick; L. Edwards
is running a 20 horse power Max-
well and Dr. Stackhouse has in-
vested in a 20 horse power Brush.

Messrs. J. L. Bridges and F.
M. Huggins have been doing some
amateur detective work recently
that should entitle them to a place
in the professional ranks. Some
weeks ago a bicycle was stolen
from Mr. Bridges and the thief
left absolutely no clue by which
he could be traced. The wheel
was given up for lost, but a few
days ago Mr. Bridges recognized
the wheels of his bicycle in an-
other bicycle frame as the machine
was being ridden through the
streets by a negro. He secured a
warrant for the negro and after
the darkey was arrested he ad-
mitted that he got the bicycle
from another negro in Lumberton.
Messrs. Huggins and Bridges
went to Lumberton and had negro
No. 2 arrested. Negro No. 2
charged a other negro with the
theft and Negro No. 3 was arrest-
ed. Negro No. 3 protested his
innocence, but after a rigid cross
examination by Messrs. Huggins
and Bridges he admitted the theft.
He then drew on the back of an
envelope a diagram of the place
where he had left the frame of the
bicycle when he took out the
wheels and upon returning home
the amateur detectives went to a
swamp near town and found the

frame at the spot indicated. Nat-
urally Mr. Bridges is happy over
the recovery of his wheel. The
negro will be tried at the June
term of court.

At a recent meeting of the trust-
ees of the Dillon High School the
entire faculty was re-elected for
another term. The attendance at
the school during the past season
has been larger than ever and the
school is on a sound financial basis.
Some improvements will be made
on the school building during the
summer vacation.

Mrs. J. D. Haselden, whose
health has not been very good for
the past several months, left yester-
day for Dr. McLeod's Infirmary
where she will spend some
time receiving treatment.

On account of the absence of the
pastor, Rev. H. A. Willis, who is
assisting Rev. F. O. S. Curtis in
a meeting at Walterboro this week,
there will be no preaching at the
Baptist church next Sunday morn-
ing, but Rev. W. C. Allen of Lat-
ta will fill the pulpit at the night
service.

Arthur Pone, a Croatan, was shot
and almost instantly killed by Thos.
Brayboy, another Croatan, on Arch
Betha's plantation Saturday after-
noon. The killing was done with
a pistol and the bullet that pro-
duced death entered the left side and
perforated the intestines. Death
resulted from hemorrhage. The
killing was the result of a quarrel
which arose while the parties were
on a drunken spree. Pone's body
was taken to his home near Pem-
broke. Brayboy has not been
captured.

Mr. and Mrs. Lupo Bereaved.

The angel of death invaded the
home of Mr. and Mrs. J. C. Lupo
Sunday morning and snatched
away their little 18 month's old
baby girl, Esther Ruth. The lit-
tle one had been sick only a few
days but everything that loving
parents and skilled physicians could
do was without avail and its little
spirit took its heavenly flight just
as the Sabbath morn was being
ushered in. Monday morning the
body was taken to Piney Grove
church where it was laid away in
the family plot by tender and lov-
ing hands. The parents have the
sympathy of many friends in their
hour of affliction and bereave-
ment.

Herring's grocery can satisfy that
appetite for something in the early
vegetable line. A nice lot of cab-
bage, squash, lettuce and celery
just received.

Quality is what counts in buy-
ing groceries, but without fresh-
ness the quality is very poor.
That's what makes our groceries
so popular with particular house-
keepers. Everything in our store
is fresh. Let us prove it to you.

The Boys Corn Club of Dillon
county met at the Graded School
building Saturday the 16th. The

Great enthusiasm was manifest-
ed by the boys at this meeting

will more quickly make Dillon the
first County of the State than to
get the coming generation inter-
ested in progressive farming.

duty to encourage this work in
every way possible. The follow-
